

# OLD TOWN TORONTO

## Heritage Landscape and Resources Guide

---

### *The Heritage Landscape Guide:*

This Guide is intended to complement walking tours by providing the following:

An overview of the history of early Toronto in terms of a number of key themes: historic figures; landmark historical events; early government; the development of public services; law and order/crime and punishment; the role of religion; social life; working class history; immigration; Black history; industrialization; architecture; land use.

An increased understanding of how these themes were manifested in the Old Town's buildings and landscapes.

A brief outline of potential challenges and opportunities to conserving and managing the Old Town effectively
